#### LOYD TEMPLETON

For the Eagle: BY OSCAR MARTIN WAGNER.

"Dear Lloyd:
"I am so anxious to see you. Do come up this evening. Your little love, "ETHEL."

As Lloyd Templeton interestingly perused the brief message from Ethel he began to blush, and, with a few imprectory tterances, he tossed it over to his confere, George Campbell.

There, George! that! Now you see I'm twist two fires. How i othe world am I going to manage it? I promised faitafully to visit Betty onight. To the deuce with girls."

"All right, and you must carry it out completely and without a balk." Thus continued the conversation between two young men who were "buching

"But look here," said the other emphatically, "it is indeed time that you decide. You must quit this kind of business. Don't keep a girl in ignorance concerning your relation to another girl. So he yelled in a blatant voice, either drop them, or all except one. If you've got love on the brain, get mar-"Confound your advice," grawled Lloyd,

his young friend. If his advice had led him to the home of one who did not care for him and gaye him a nicy reception, he would willingly plead for forgiveness. At any rate, Lloyd's peculiar entrance and obstinate tactiturnity did not bear a congenial effect, and he was entitled, from the standpoint of courtesy, to demand on explanation.

Lloyd sat in deep dreams, and, sudden ly, his face assumed a more congruous color, and, when his confere continued putting direct and entiling questions to him he winced. All this while he had not even so much as opened his mouth. He now raised his head from its drooping posture and smiled complacently,

George still remained stoical. "Forgive me, George," he faltered, "for. give my unbecoming actions. I made a mistake this evening in not visiting Betty. I can't blame you, though, at first,

I was enraged at you." "Certainly, Lloyo," was the roft reply.

"Some one ahead of me, is all," reided Lloyd in a sami-pitiful tone. And then he "resoluted" again, swearing by all that's high or low mat these dversities were too severe on him, and that he would try to forget the girls. It

foothold, and with endless reverses. "Well, it isn't too late to call on Berty," noted eGorge, who always had a remedy for every ill, "you might just as well visit her. She, probably, is alone; and, you know, she is expecting you, too."

A wonderful appropriate suggestion! He considered an instant, then started on the impulse of the thought of Betty. had some knowledge along these lines

As he rang the door-bell, he felt perguelty to lift him from the mire; and, feetly at ease that all was well, but when on this occasion, it was but another strat-egic move in the diplomacy of couriship. prised him of the fact that Betty had walted on him and given up his coming, and went to a party with her brother and the opposite sex; that this idea o fleing Mr. Simpson, another pang was thrust in a maze of trouble incessantly, was into his fainting breast. This glib narnot exacting his studies, nor elevating ration of eBtty being escorted by her brother and "Mr. Simpson," grated on his nerve. He did not care, of cours for the "brother" part of it, but the name of "Simpson" was a horror to him. He made up his mind on the spot not vising his client, "Listen! Which one of to return to his room that night; the sting of revenge was so painful!

"Fletty, too, is with another fellow." he answered whimperly, "and I'll tell you I'm done with them. I'm going to get down to work, now-and-I'll-tell-you-I'm done with them. If ever I marry it'll be a queer season of the year!"

Of course George was real sorry for Lloyd, yet he was inwardly glad to hear his worthy resolutions. These shameful rejections were sufficient to turn his heart as hard as Pharaoh's, and we don't wonder that the woe-stricken student denounced the feminine sex in such sar-
